

ShipperHQ

Easily view shipping options and costs from various carriers

CREATE FREIGHT QUOTES ON-THE-FLY FROM INFORM

Fully integrated with Inform ERP, unlock maximum flexibility with your shipping options using ShipperHQ's robust suite of built-in features and deliver on customer expectations.

- ✔ Shipping prices are calculated by product weight and shipping destination
- ✔ Compatible with Magento for online shopping carts inside of Inform eCommerce Pro
- ✔ Shipping rules allow for maximum control of the rates and options you show in checkout
- ✔ Use for both stocked and drop-shipped items
- ✔ Supports multiple vendors on the same PO
- ✔ Easily manipulate live or custom rates or run promotional pricing—all based on the conditions you choose
- ✔ Easily accessible shipping details about every order
